suicide and martyrdom are closely intertwined with korean social and political processes in this first book length study of the evolving ideals of honorable death and martyrdom from the chosön dynasty 1392 1910 to contemporary south korea interdisciplinary essays explore the changing ways in which korean historical agents have considered what constitutes a sociopolitically meaningful death and how the surviving community should remember such events among the topics covered are the implications of women s chaste suicides and men s righteous killings in the

evolving confucian influenced social order of the latter half of the chosön dynasty changing nation centered constructions of sacrifice and martyrdom put forth by influential intellectual figures in mid twentieth century south korea which were informed by the politics of postcolonial transition and cold war ideology and the decisive role of martyrdom in south korea s interlinked democracy and labor movements including chun tae il s self immolation in 1970 the loss of hundreds of lives during the kwangju uprising of 1980 and the escalation of protest suicides in the 1980s and early 1990s

this book explores the geography history government economy people and culture of south korea all books of the critically acclaimed cultures of the world series ensure an immersive experience by offering vibrant photographs with descriptive nonfiction narratives and interactive activities such as creating an authentic traditional dish from an easy to follow recipe copious maps and detailed timelines present the past and present of the country while exploration of the art and architecture help your readers to understand why diversity is the spice of life

this is a true story that is both tragic and bizarre it s tragic because a young twenty two year old serviceman married and with an infant son back home died in korea during the korean war it s bizarre because a fellow serviceman with whom he d been stationed at two different locations was one of the witnesses at the shooting that took his life then that witness later married the man s widow and adopted his son even though they had a church wedding nobody from either family showed up very unusual exactly twenty years to the day after the young serviceman died in korea his twenty year old son had a near death experience in vietnam the son grew up not knowing his biological father s name his branch of service how when or where he died or what he looked like until he was almost fifty eight years old then fate stepped in and provided him with a reason to investigate into the past what he found out will astound you as much as it did him

despite public support for the death penalty a remarkable number of countries in different parts of the world have banned capital punishment in all its forms regardless of the nature of the crime or the criminal arguing that international norms are often a critical source of ideas for change in state policy but that impact varies greatly sangmin bae offers a systemic explanation of how when and under what conditions a country complies with

international norms she examines four countries that reached different stages of norm compliance with respect to the death penalty ukraine south africa south korea and the united states focusing on the role of political leadership and domestic political institutions bae clarifies the causal mechanisms that lead to state compliance or noncompliance with the norm

death and the activities and beliefs surrounding it can teach us much about the ideals and cultures of the living while biologically death is an end to physical life this break is not quite so apparent in its mental and spiritual aspects indeed the influence of the dead over the living is sometimes much greater than before death this volume takes a multidisciplinary approach in an effort to provide a fuller understanding of both historic and contemporary practices linked with death in korea contributors from korea and the west incorporate the approaches of archaeology history literature religion and anthropology in addressing a number of topics organized around issues of the body disposal of remains ancestor worship and rites and the afterlife the first two chapters explore the ways in which bodies of the dying and the dead were dealt with from the greater silla kingdom 668 935 to the mid twentieth century grave construction and goods cemeteries and memorial monuments in the koryō 918 1392 and the twentieth century are then discussed followed by a consideration of ancestral rites and worship which have formed an inseparable part of korean mortuary customs since premodern times chapters address the need to appease the dead both in shamanic and confucians contexts the final section of the book examines the treatment of the dead and how the state of death has been perceived ghost stories provide important insight into how death was interpreted by common people in the koryō and chosōn 1392 1910 while nonconformist narratives of death such as the seventeenth century romantic novel kuunmong point to a clear conflict between buddhist thought and practice and official neo confucian doctrine keeping with unendorsed views on death the final chapter explores how death and the afterlife were understood by early korean catholics of the eighteenth and nineteenth centuries death mourning and the afterlife in korea fills a significant gap in studies on korean society and culture as well as on east asian mortuary practices by approaching its topic from a variety of disciplines and extending its historical reach to cover both premodern and modern korea it is an important resource for scholars and students in a variety of fields

a true crime account of the mysterious death of a foreign exchange and the south korean and u s investigators attempts to find the murderer exchange student jamie penich left her small pennsylvania hometown to see the world but her journey ended with a brutal attack in a shabby motel room in seoul south korea where the raven haired 21 year old was found naked and stomped to death investigators zeroed in on soldiers turning out barracks and trolling seedy bars for the gis who partied with jamie in the hours leading up to her death but every lead produced only new mysteries there were unbreakable alibis a roommate who claimed she had slept through the crime and lab tests that hinted at a secret lover the investigation seemed destined for the cold case file until a high powered american senator pressed for answers soon a greenhorn detective settled on a shocking new suspect a pretty blonde exchange student named kenzi snider during an interrogation the teenager confessed to killing jamie during a lesbian encounter but it was what happened next that was truly surprising what really happened in room 103 chilling sensational tucson citizen arizona

arguably the most brutal crime committed by the japanese military during the asia pacific war was the forced mobilization of 50 000 to 200 000 asian women to military brothels to sexually serve japanese soldiers the majority of these women died unable to survive the ordeal those survivors who came back home kept silent about their brutal experiences for about fifty years in the late 1980s the women s movement in south korea helped start the redress movement for the victims encouraging many survivors to come forward to tell what happened to them with these testimonies the redress movement gained strong support from the un the united states and other western countries korean comfort women synthesizes the previous major findings about japanese military sexual slavery and legal recommendations and provides new findings about the issues comfort women faced for an english language

audience it also examines the transnational redress movement revealing that the Japanese government has tried to conceal the crime of sexual slavery and to resolve the women's human rights issue with diplomacy and economic power

this collection presents and analyzes inquest records that tell the stories of ordinary Korean people under the Choson court 1392-1910 extending the study of this period usually limited to elites into the realm of everyday life each inquest record includes a detailed postmortem examination and features testimony from everyone directly or indirectly related to the incident the result is an amazingly vivid colloquial account of the vibrant multifaceted sociocultural and legal culture of early modern Korea
